## Professional Experience

Andrew joined Architectus as Associate and Group Workplace Leader in early 2016 and brings considerable experience in workplace design and facilities and space planning, along with education, hospitality and retail fit out. As an industry leading interior designer, Andrew's experience, environmental sensitivity and attention to detail ensure his clients' needs are met and expectations exceeded in the delivery of every project.

With 20 plus years experience, Andrew has developed a strong reputation for his ability to work with clients collaboratively throughout the design and construction process.
